Cardassian Kanar “Noir”

Ingredients:

0.35 liter Bottle of Jagermesiter (the medium sized one)

8 oz Bottle of Honey

1 shot of Cinnamon Schnapps

Procedure:

In a mixing glass or bowl, combine the Bottle of Honey and the 1 shot Cinnamon Schnapps and stir until incorporated.

Gradually add the Jagermeister, stirring with a whisk until the mixture has a syrup-like consistency. (You may not use the whole bottle)

The mixture should be thick like molasses, adjust as needed.

Using a funnel, carefully pour the Kanar into a bottle for storage.

Chill in the freezer for at least 2 hours prior to serving

Serve as a shooter.
